BALLET UNIFORMS

All dancers in Ballet 1 through Advanced Ballet (not Preschool, Combo 1 and Combo 2 Students) will be required to wear a black sleeveless or black short sleeved leotard (any style) for ballet class. The leotard should have NO skirt attached. This can most likely be purchased at the dancewear store where you buy your dance shoes. It is important for your teacher to see the lines of your neck and shoulder. We will not be ordering leotards for you this year.

Biketards or Booty shorts may NOT be worn for ballet class.

Usually we order ballet uniforms through our school in different colors but we will keep things simple this year and go back to our color coded leotards next season.

Students need to wear PINK tights (not flesh toned) and pink ballet slippers.

Boys may wear shorts and a t-shirt (preferably black shorts and a white t-shirt).

Hair is always worn in a bun for girls in ballet class.
