rehearsal.***

WEDNESDAY–JUNE 11, 2025

**AT FELICIAN UNIVERSITY –
262 South Main St. – Lodi, NJ 07644
*BUILDING OPENS AT 4:00 PM***

All students must attend. Renting the theater and paying a technical crew for dress rehearsal is very expensive. We would not do it, if it were not necessary!

No food/snacks are allowed in the theater. Bring water only.

Please leave the theater immediately after your child's rehearsal in order to allow for sufficient parking for the other dancers coming after you.

Only 1 person should accompany your child to the dress rehearsal. (2 at most)

Videotaping is allowed at dress rehearsal.

We prefer that girls wear make-up. Natural eye shadow, blush and red lipstick.

At the Dress Rehearsal, the dancers will learn where their dressing rooms are, how to get to the stage and they will go over their stage spacing.

COSTUMES

All lost costume part problems can be avoided if you follow a few simple suggestions:

- 1 - Put your child's name on everything!
- 2 - Before leaving for the theatre, check to make sure you have everything!
(Especially gloves, headpieces, etc.)
- 3 - Before leaving the theatre, check again to make sure you have everything!
- 4 - If your child has several costume changes, bring a box or bin to the theatre with his/her name on it. Put all costumes and accessories in the box when your child finishes performing.
Tell your child not to throw everything all over.
- 5 - Please check the order of the show at the studio. If your child has a fast change – make sure someone will be there to help him/her! We cannot be responsible for changing each and every child! A fast change is one or two dances. Our room monitor can help change the children if they do not have a fast change.
- 6 - Please pin accessories directly to the costume, so as not to misplace them.
