- Class includes songs, movement games, music, props and basic preschool dance steps
- Taught by Dance World Academy Director and Owner, Donna Farinella, who was asked recently to present this fun-filled program to over 700 dance studio owners and teachers at the Dance Life Teacher Conference in Arizona!

This class is perfect for little dance students who are too young for our pre-school program or who are not ready to separate from their parent yet. Preschool dancers looking to add another dance class to their schedule will also enjoy it!

This is an in person class done in six week sessions. The cost of 6 classes is $120 plus a $15 Prop Fee which includes a prop bag for each child. You will receive your props for the class which you keep once the class is done. This way, no one is sharing props. Any canceled classes will be made up.
Session #2 – January 17th, January 24th, January 31st, February 14th, February 21st and February 28th. There is no class on February 7th. If a class is canceled due to snow, lessons will be extended another week.

No recital but a **fun AND magical** "Royal Coronation - Celebration" at the end of the dance session, where our little dancers will become "official" Princesses and Princes (details to come).
*Ballet slippers, sneakers or similar shoes, leotard and tights recommended but not required. Children must wear something they can comfortably move in or their favorite princess dress.
